Your Choice of any Wine Sold by the Glass

CHILDREN'S HOME SOCIETY OF FLORIDA

"Children are the world's most valuable resource and it's best hope for the future."

-John F. Kennedy

The South Coastal Division is one of fourteen divisions that make up Children's Home Society(CHS) of Florida, the state's oldest and largest non-profit agency working for the betterment of children.

Since 1902, CHS has been working to build strong families for Florida's children. The South Coastal Division, established in 1964, serves all of Palm Beach County. More than 25,000 children and families participated in one or more of the division's services.

Children's Home Society's original purpose was to find loving, adoptive homes for infants and children who had been orphaned, but the agency has been pro-active in addressing the ever changing needs of children and families in each community. Services currently offered in Palm Beach County focus on adoption, child abuse and neglect prevention and intervention, and help for runaway and troubled teens.

SAFE HARBOR ANIMAL SANCTUARY & HOSPITAL

"The greatness of a nation in it's moral progress can be judged by the way it's animals are treated."

- Mahatma Gandhi

Safe Harbor refuses to believe that euthanasia is the only option for pet overpopulation in this country. Safe Harbor offers low-cost spay/neuter services and medical assistance for everyone, regardless of the owners address or ability to pay. Safe Harbor's low-cost sterilization services are available to everyone. No questions asked. Safe Harbor is doing their part to alleviate the suffering of animals through sterilization, not slaughter.

Safe Harbor's mission is to rescue homeless animals in need. Those that are injured, neglected, and abused take top priority. Animals living in Safe Harbor's facility will remain in residence until they are carefully adopted. Cages are not vacated by routine euthanasia. They become available only through adoption.

Please understand that Safe Harbor does not receive any money from any government agency. Safe Harbor is a charity surviving on donations alone, and capacity is limited.

Safe Harbor needs your help today!
